**Our selection of teas is not mass-produced in large, industrial farms. These leaves and tips are skilfully crafted by artisans and tea masters. Our tea is served loose leaf and by the cup. An individual pot can be infused multiple times; as the leaf softens, new flavours are revealed each time. We recommend each infusion for about 1minute, before pouring all the water in to your glass.**

## Chinese Tea

**PU'ER** (Yunnan Province)

£5.50

Aged black tea. Silky as well-water. Deep earthy flavours and umami notes. In China it is believed to aid ingestion and often drunk with rich food.

**OOLONG** (Anxi, Fujian Province)

£9.00

A top grade Tie Guan Yin, Iron Goddess of Mercy. Crafted to an exact point at which the leaves reveal their hidden subtleties. Sweet and grassy with soft floral notes leading to a deep verdant finish. The first infusion has a succulent sweetness with later infusions leading to biscuit, smooth notes.

**LONG JING** (Hangzhou, Zhejiang Province)

£5.50

The most succulent and fragrant of green China teas. Picked in the early spring before the first rains, it has a fresh sweetness with rich green vegetal flavours and a subtle nose of hazelnuts.

**JASMIN SILVER TIP** (Fuding, Fujian Province)

£6.00

A delicate white tea crafted entirely from spring buds. The tea is not flavoured but carefully scented over six consecutive nights with fresh jasmine flowers. Once the preserve of only the Chinese Imperial family. Deep and heady aroma with light and gentle flavour.

## Herbal Infusion

**CORNISH PEPPERMINT** (Tregothnan Estate, Cornwall)

£5.50

A rare English peppermint grown on the private botanical garden of the Tregothnan Estate. Counter-intuitively, the menthol oils infuse more easily from the dried leaf, giving a brighter, cleaner flavour than fresh mint. This truly remarkable and unique peppermint is a wonderful end to a meal.
